**PATRICK BAUMANN**

FIBA SECRETARY GENERAL

*Dear Friends,*

*I'm proud to see the 3x3 Youth World Championship coming to life in Rimini. The Italian Federation (FIP) and FIBA have been running at high speed for the past two months, when we decided to organize this event.*

*The decision to hold such an event was done with the intention to motivate our national member federations to embrace 3x3 as a new discipline. The response to the invitation to register has been overwhelming: 40 countries from all continents and 240 athletes are attending the Championship.*

*The ultimate goal for the basketball family is to become the most popular sports community altogether and include 3x3 in the Olympic Games by 2016 at the earliest. The program will give all readers a look at the work that is being done at FIBA to achieve this.*

*In the meantime, I would like to thank FIP for its willingness to organize this Championship, and bring us one step further to our goal.*

*A special thank goes to the City of Rimini and to all participants. Enjoy the event and the traditional Italian hospitality and may the best win!*

**DINO MENEGHIN**

PRESIDENT OF ITALIAN BASKETBALL FEDERATION

*Dear Friends,*

*It's a great pleasure for me to welcome the 60 teams participating from 9th to 11th September in Rimini for the first edition of the 3x3 Basketball World Championship.*

*The Italian Basketball Federation supports with great attention and deep interest the Project adopted by FIBA to launch Basketball 3x3: for this reason we decided and submitted our candidature to host the Under 18 World Championship.*

*This is an important first step for the expansion of 3x3 Basketball, the proposal of becoming an Olympic discipline over the next two editions of the Olympic Games is ambitious, but very fascinating, and it is for this reason that the FIP is proud to be working alongside the launch of FIBA and the promotion of 3x3 basketball.*

*I am sure we will have fun at the Fiera di Rimini and that we will enjoy good basketball, great performances, as I am sure that the organization provided by our Federation will seek to be the highest level.*

*I wish you all a fantastic competition, see you over the courts.*

*The best of luck to everybody*

RULES OF THE GAME

5

### FREE-THROW CONTEST

(MIXED, MAX. 240 PLAYERS)

#### FREE-THROW CONTEST (MIXED)

##### PARTICIPANTS:

Boys and girls (mixed). All players are allowed to register.

##### HOW DOES IT WORK?

Players are randomly lined up behind the free-throw line and remain within the same order throughout the competition. The first player on the line makes a free-throw, in case of making the shot he rejoins the line at the end otherwise he is eliminated; then it is the second player's turn. The winner of the game is the last remaining player.

##### SYSTEM OF COMPETITION:

Although this is a mixed contest, all participating players are divided into four (4) equal boys' groups and four (4) equal girls group for the qualification rounds (8 groups). The winners of each group will access the final in order to have a balanced number of both genders in the finals (4 girls and 4 boys).

Example in case all 240 players of the tournament are participating in this contest:

- Court 1) 24 girls
- Court 2) 24 girls
- Court 3) 24 girls
- Court 4) 24 girls
- Court 5) 36 boys
- Court 6) 36 boys
- Court 7) 36 boys
- Court 8) 36 boys

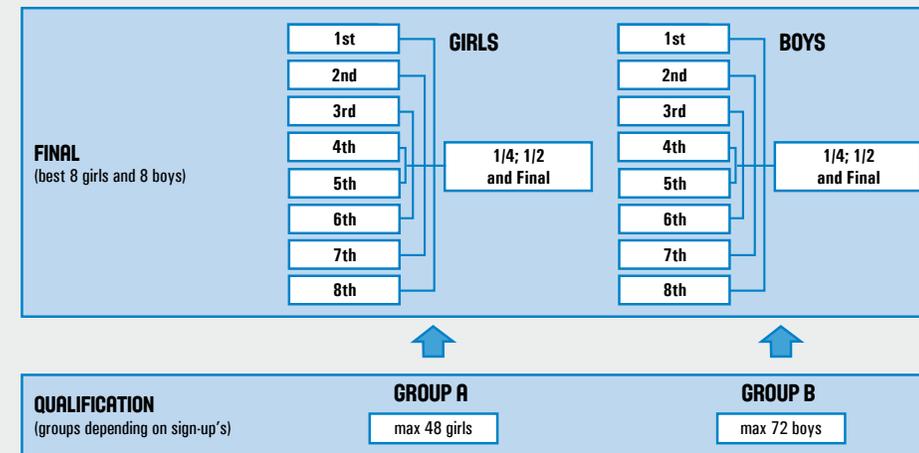

##### SCHEDULE:

Qualifications: Friday, Sept 9th at 18.30

Final: Sunday Sept 11th at 17.30

### SHOOTOUT CONTEST

(MAX 120 PLAYERS, 2 PER TEAM)

#### SHOOTOUT CONTEST (BOYS AND GIRLS)

##### PARTICIPANTS:

Boys and girls (separate contests). Maximum two (2) players per team are allowed to register.

##### HOW DOES IT WORK?

Players shoot ten (10) balls from behind the arc, placed on two (2) racks of five (5) balls. The racks are placed at 45° on the right and the left of the court, behind the arc. Time will be recorded and in case of draw, the fastest shooters will be privileged.

##### SYSTEM OF COMPETITION:

Players will be divided into groups and courts during the qualifications, competing simultaneously. The eight (8) best/fastest shooters from the qualifications will play the finals (boys and girls separate). During the finals, the players will be ranked from 1st to 8th according to their shots made and time. They will compete head-to-head (1st vs 8th, 2nd vs 7th, etc.), shooting alternatively from each right and left sides of the court. Quarterfinals will be played simultaneously; the semifinals and finals of each contest (boys and girls) on the central court sequentially.

##### SCHEDULE:

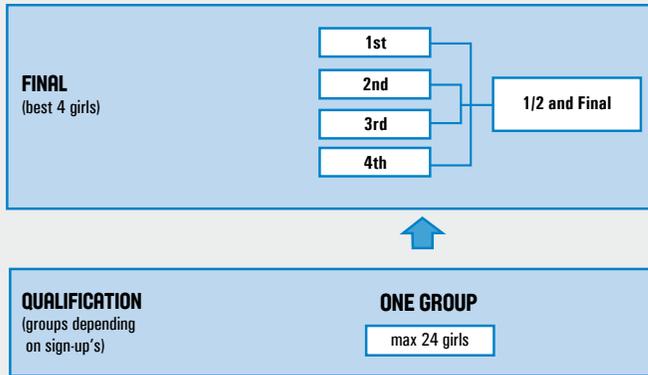

Qualifications: Saturday, Sept. 10th at 15.00 (girls) and 14.30 (boys)

Finals: Sunday Sept 11th at 14.30 (girls) and 15.30 (boys)

### SKILLS CHALLENGE

(MAX 24 GIRLS – 1 PER TEAM ONLY)

#### SKILLS CHALLENGE (GIRLS)

##### PARTICIPANTS:

Girls, maximum one (1) player per team can register

##### HOW DOES IT WORK?

The purpose of this discipline is to dribble, make passes and shoot at specific areas of the court while being timed. The player that finishes with the fastest time is declared the winner of the discipline.

- 1) Start** – On referee's whistle, the clock starts and the player picks up the first ball off of a pedestal.
- 2) Crossover dribble** - Starting on the 1st pylon to the left, then around the 2nd to the right, around the 3rd pylon to the left and finally around the 4th to the right, she then approaches:
- 3) Chest pass** – Using the ball in her hand from crossover dribble section, she attempts to complete the chest pass. If the first attempt is made, she moves on. If not, she must use the four additional balls on the corresponding ball rack until either (a) the pass is made or (b) all the balls are exhausted (one ball at a time, towards the basket) – at which point she moves back to:
- 4) Speed Backside dribble** – Using the ball on the pedestal, the player dribbles backside around the pylons starting on the right of the 1st pylon (pedestal's side), then around the 2nd to the left, around the 3rd pylon to the right and finally around the 4th to the left. She then finishes with:

- 5) Final shot** – The clock will stop on the referee's whistle, when the ball goes through the rim. Any type of shot maybe taken as long as the final pylon in the speed backside dribble section has been cleared (at the referee's discretion). The player must rebound the same ball if she misses and continue until she makes the basket to stop the clock.

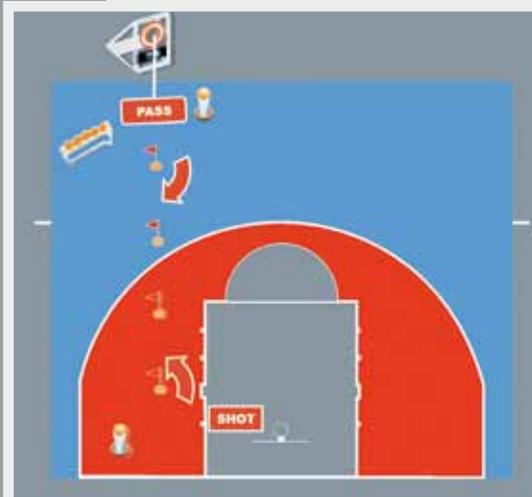

##### SYSTEM OF COMPETITION:

Players will all be timed during the qualifications and the four (4) fastest will advance to the final. The players will be ranked from 1st to 4th according to their time. They will compete head-to-head by pair (1st vs 4th, 2nd vs 3th)

##### SCHEDULE:

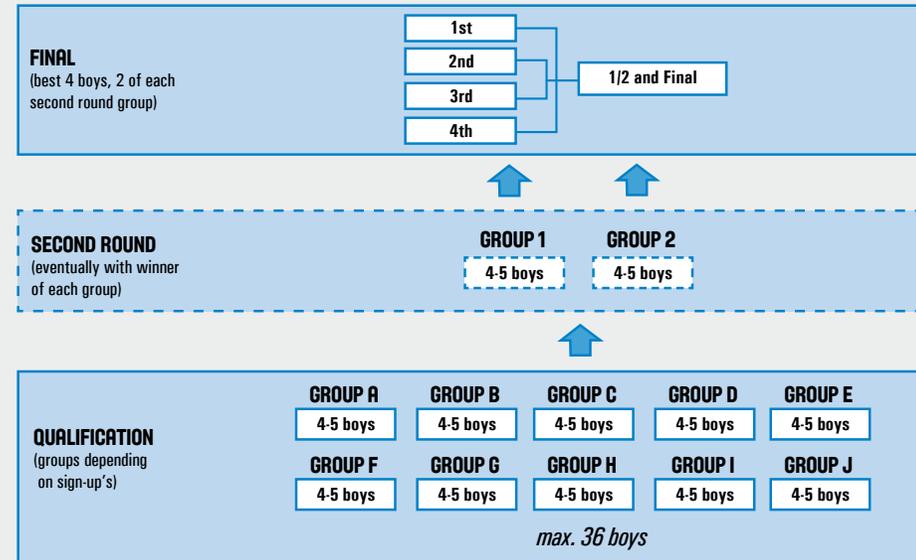

**Qualification:** Saturday, Sept 10th at 15.00

**Final:** Sunday, Sept 11th at 15.00

### DUNK CONTEST

(MAX 36 BOYS – 1 PER TEAM ONLY)

#### DUNK CONTEST (BOYS)

##### HOW DOES IT WORK?

Players will perform with dunks in front of a jury and be awarded with marks according to the originality, esthetics and energy put into their performance. The rated scale will be from 1 to 10 and the jury will be selected by the 3x3 FIBA team.

##### PARTICIPANTS:

Boys, maximum one player per team can participate.

##### SYSTEM OF COMPETITION:

Dunkers will be divided into groups of four to five players. The best of each group will advance to the next round, following the model of a traditional dunk contest. Initially, if there are more than four groups, the qualified players will compete in an intermediate round to select the best four for the final. For the finals, the dunkers will be randomly ranked from 1st to 4th and will compete in a head-to-head competition by pair (1st vs 4th, 2nd vs 3rd, etc.). Pairs will start off by playing a horse-style dunk contest, where the players have to copy the same dunk that the first player executed.

##### SCHEDULE:

**Qualification:** Saturday, Sept 10th at 14.30

**Final:** Sunday, Sept 11th at 17.00

## 3X3 RAPID INTERNATIONAL EXPANSION

The Singapore Youth Olympic Games, as well as the 1st Invitational Youth World Championships here in Rimini are just the beginning. 3x3 will become intensively played at international and multisport events with players qualifying in FIBA's expanded network of affiliate tournaments.

The South Asian Beach Games in Sri Lanka, October 14th to 18th, and the SportAccord World Beach Games scheduled for 2012, will showcase 3x3 Basketball with courts laid in the sand highlighting the game's flexible format conducive to any location.

The International University Sports Federation has embraced the game too. Serbia will host the first ever World University Basketball 3x3 Championships in Kragujevac in 2012 and Brazil has already been selected to host the 2014 edition of the event. This shows how 3x3 is appropriate to gather a large number of nations.

China's city of Nanjing will be hosting the Youth Olympic Games in 2014. As in Singapore 3x3 will again be the premiere event of the Games. FIBA's ultimate goal is to have 3x3 played on the beaches of Copacabana in the 2016 Olympics.

Following the Youth World Championships, the Men's and Women's 3x3 World Championships will become an annual event with host cities around the world.

In addition to the World Tour, these international events will continually promote 3x3 around the globe. All 3x3 activities from grassroots to elite will be captured in 3x3 Planet, the digital platform that allows players to register for events and track their individual ranking. For more information on both the World Tour and the 3x3 Planet, just flip the page.

# FIBA 3X3 WORLD TOUR

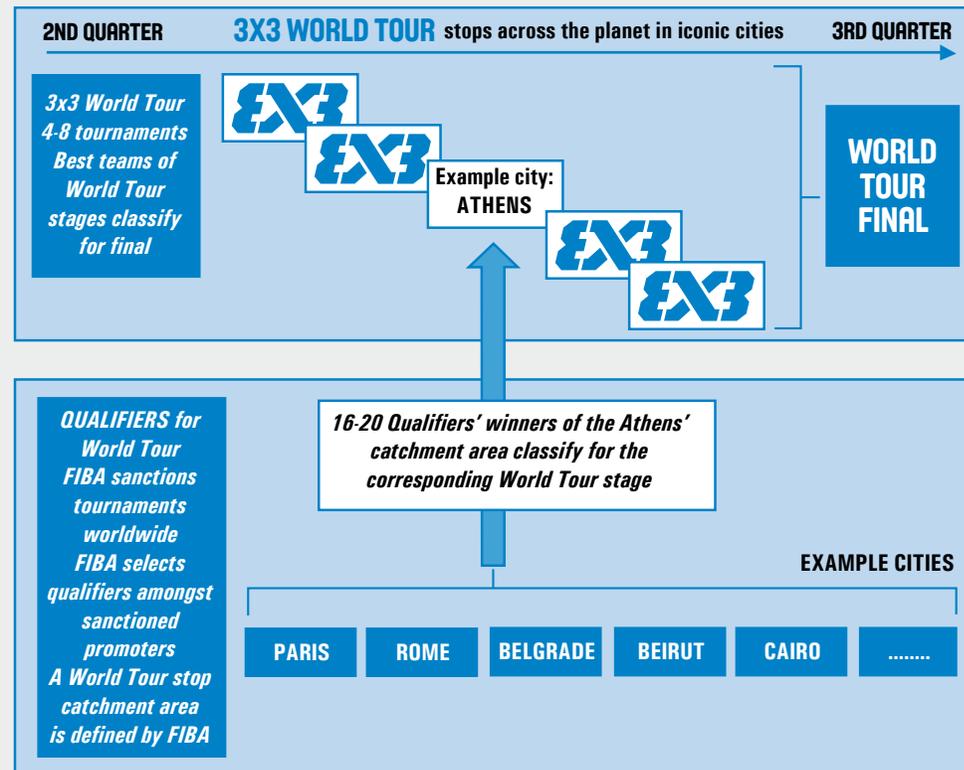

FIBA will launch a 3x3 yearly World Tour in 2012.

The envisioned World Tour will initially consist of five to eight events, including a final, spread out all over the planet; the most successful teams of each event will be invited to the World Tour Final to be held 3rd quarter 2012.

The Qualifiers will be organized by National Federations or sanctioned promoters.

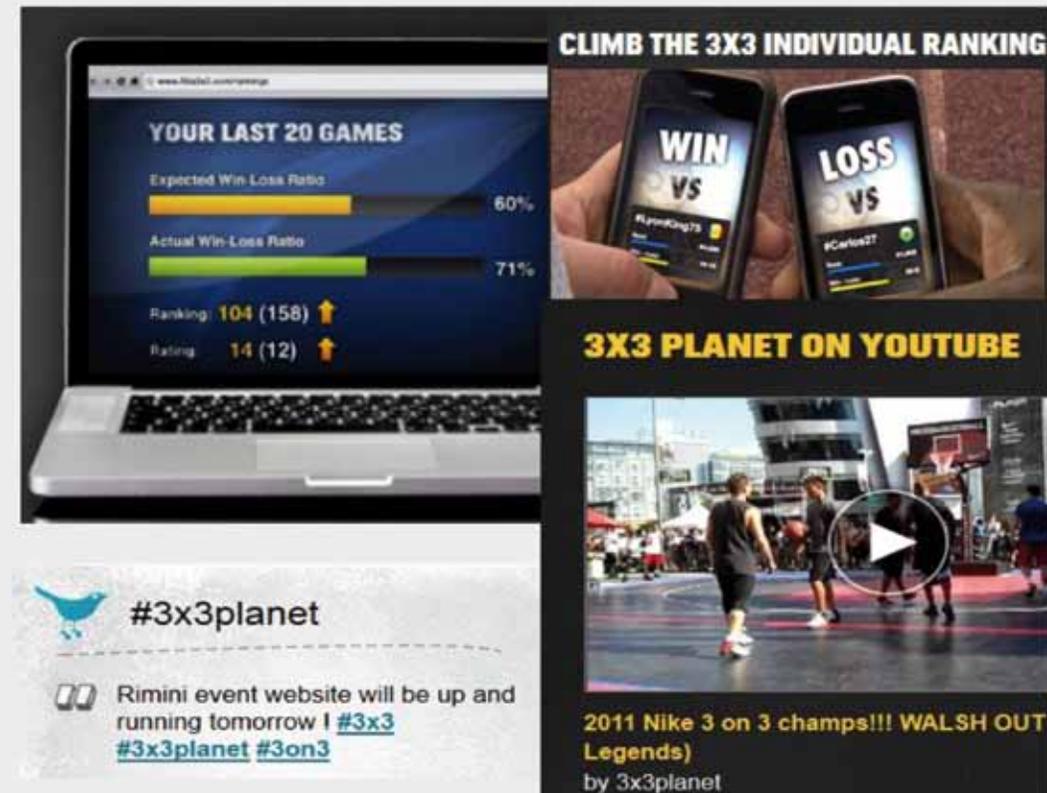

In order to be sanctioned and become part of the FIBA 3x3 family the following criteria must be fulfilled:

- Standardized and on-time upload of tournament results
- Use of FIBA 3x3 playing rules

## FIBA'S 3X3 DIGITAL PLATFORM

- PLAYERS A BEYOND-THE-COURT EXPERIENCE
- PERSONALIZED DASHBOARD AND COMMUNITY TOOLS
- COMING IN EARLY 2012

C'è chi segue e chi sceglie.

Samsung GALAXY S II  
Smartly different.

Non lasciarti guidare dalle tendenze del momento: scegli lo Smartphone più sottile, con uno spessore di soli 8,49 mm, i colori più brillanti con il display Super AMOLED Plus e comandi Touch più veloci con il processore Dual Core. Scegli Galaxy S II. Scegli di avere di più.
